Re: Certificate of Correction Issued April 29, 2008

This letter is to inform you that a certificate of correction will be issued to delete the claim that was added in the certificate of correction issued April 29, 2008. The certificate of correction issued April 29, 2008 was in fact issued in error. The examiner of record for this patent has reviewed the certificate of correction and discovered that the new claim's limitations were already added to the independent claim by examiner's amendment. Therefore the claim that was added in the certificate of correction should not have been approved. A certificate of correction will be issued to delete the claim as added in certificate of correction issued April 29, 2008.

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch.
